Exhibit A includes the following information: a list of Unrepresented Parties not represented by counsel who have been previously served by the United States and a list of Unrepresented Parties' last known address. Exhibit A was compiled using records maintained by the United States. The addresses in Exhibit A have been updated, where appropriate, to reflect records maintained by Walker River Irrigation District as shown on the June 30, 2014 Assessment List. Parties that are known to have transferred their rights to Successors in Interest have been removed from this mailing. *See Amended Order Concerning Service Issues Pertaining to Defendants Who Have Been Served* (Doc. 1650). Parties who have been recently mailed to by the Clerk of this Court and /or Parties to this case, and have had such documents returned as undeliverable have been: 1) researched and updated using publically available records, to find any updated mailing addresses, 2) updated if a forwarding address was provided by the United States Postal Service, 3) removed from the list if no alternative address could be obtained after being returned as undeliverable, or 4) removed from this list if it became evident the party no longer held title to rights listed in the *Case Management Order* (Doc. 108) ¶ 3.

Service was completed by C & D Printing, Inc. on November 14, 2014 when a true copy of the Superseding Order was placed in first class, postage prepaid envelopes (using the addresses listed in Exhibit A) and delivering such envelopes to the United States Postal Service for delivery.
